## **Exciting News from JF,WBK**

### **#1 in M&A**

In the recently released Corporate Control Alert rankings of M&A advisors, we finished #1 among all public relations firms, advising on a total of 59 transactions in 2010.

### **Six New Partners**

Effective January 1, we promoted six colleagues into our partnership: Eric Brielmann, Tim Lynch, Jamie Moser, Meaghan Repko, Andrew Siegel and Sharon Stern. Their client management and counseling skills have strengthened the depth of senior talent in our firm.

### **New, Larger Offices**

In December, we moved a few blocks to newer, larger offices to accommodate the firm's growth and provide flexibility for additional expansion of our team. Our new location is 622 Third Avenue (between 40th and 41st Streets), 36th Floor, New York, NY 10017. Our phone number remains (212) 355-4449.

### **Well Into Our Second Decade**

We want you to know how much we appreciate your continued trust and support. The confidence you have demonstrated in us has been instrumental to our success.

Best regards,

**The Partners of Joele Frank, Wilkinson Brimmer Katcher**
